Welcome to Stockholm, the capital of Sweden – and welcome to Södertörn University. The following pages contain useful information about getting around Stockholm and the university.

We look forward to seeing you soon!

Welcome to Stockholm and Södertörn University

We hope that you had a safe journey, no matter whether you arrived by air, road or rail.

Stockholm is spread across fourteen islands on the edge of the Baltic Sea and Lake Mälaren, the third biggest lake in Sweden. It is one of the fastest-growing cities in Europe, with one of Europe's largest and best-preserved mediaeval city centres, and plenty of opportunities for leisure, shopping, sightseeing, etc.

Södertörn University is located less than 20 minutes by train from the city centre.

Stockholm's public transport system is well-developed and easy to use, and a range of tickets and travel cards are available.

Nearly all tickets are loaded on an SL card (green card), which is an electronic smart card. You need to pay a fee of SEK 20 for the card itself, but you can re-use it on future visits to Stockholm. Buying an SL card loaded with tickets as soon as possible is a good idea if you use public transport to get to and from the University.

To purchase a single-journey ticket (SEK 42), you can tap your contactless bank/credit card on the card reader (the glass square in the green frame). The ticket's validity period is 75 minutes and, within this period, you can make as many transfers as you like. [Click here to learn more about this option.](#)

Cardless option: You can download an [SL travel app](#) to your smartphone. You can purchase and use your tickets in the app without buying the physical SL card.

Currently (January 2024), the standard (and *discounted*) prices are as follows:

One day (24 hours)	SEK 175 (110)
Three days (72 hours)	SEK 350 (220)
Seven days	SEK 455 (290)
30 days	SEK 1 020 (650)
90 days	SEK 2 960 (1 880)

It is possible to buy an SL card at Arlanda airport. If you want to travel from the airport by commuter train (pendeltåg in Swedish) or by local bus, you will need one. The cards can also be bought and loaded with tickets at "Pressbyrån" (a chain of newsagents) or at [the information desk in Sky City](#) (between Terminals 4 and 5 at Arlanda) – it opens in the morning before the first train departure and closes at midnight.

Pressbyrå logo

You can also buy SL cards/tickets in the SL Center on the lower level of the main hall of Stockholm Central Station and at Stockholm City Station. Travel cards/tickets can also be bought in most *Pressbyrå* shops, often close to the commuter- or metro stations. You can also buy all tickets at the train/metro stations' entry points.

How to get to Stockholm Central Station

➤ **From Stockholm Arlanda airport (north of Stockholm):**

Construction work at Arlanda airport is also affecting traffic outside Terminal 5.

1. **Coach:** Take the airport coach, "Flygbussarna", which leaves from outside the arrival hall, to Stockholm City and "Cityterminalen". The normal fare is SEK 129. When you arrive at Cityterminalen, follow the signs to Central Station and from there to Stockholm City Station.

Follow the link for more information: <http://flygbussarna.se/en> (coach tickets can be bought at a discount from the website).

2. **Arlanda Express train:** From the arrival hall, follow the signs to the *Arlanda Express*. This train to Stockholm Central Station departs approximately every 15 minutes and it is a 20-minute journey. The standard adult fare is SEK 320. <https://www.arlandaexpress.com/>
3. **Commuter train:** It is possible to take commuter train **40** from Arlanda airport to Flemingsberg, where the University is located, although changing at the Stockholm City Station may be necessary. Trains leave every 30 minutes from Sky City (located between Terminals 4 and 5).

If you already have an SL ticket of any sort, you will have to pay SEK 135 extra for passing to and from the trains and the airport terminal at Arlanda. Single journey SL ticket, including passage supplement fee, costs SEK 177 (adult) or SEK 146 (discounted fare).

For the connections, please consult [this link \(Google translate\)](#).

4. **Local bus:** Alternatively, you can take the **583** bus from terminals 2, 3 or 5 to Märsta train station, where you change
 - a. to the commuter train **41** towards Tumba or
 - b. to the commuter train **42X** towards Nynäshamn and then change at Stockholm Odenplan for the commuter train **40** towards Södertälje centrum

In both cases, your final station is *Flemingsberg*, where the University is located.

As long as you have an SL ticket, you won't have to pay anything extra, making this the cheapest option. The only downside is that the journey from the airport to Flemingsberg may take up to 90 minutes.

To find the connection, please consult [this link \(Google Translate\)](#).

Due to construction work outside Terminal 5 at Arlanda airport, please use the "**Sky City/Terminal 5**" bus stop instead of the one called "Terminal 5", as it is currently the closest stop for Terminal 5.

➤ **From Stockholm Skavsta airport (south of Stockholm):**

Take the airport coach to Stockholm's Cityterminalen. The standard adult fare is SEK 229, and the journey takes 80 minutes. When you arrive at Cityterminalen, follow the signs to Central Station and from there to Stockholm City Station.

For more information, see <http://flygbussarna.se/en> (coach tickets can be bought at a discount from the website).

➤ **From Bromma Airport:**

Take the airport coach to Stockholm City and Cityterminalen. The journey takes about 20 minutes, and the ticket is SEK 99.

For more information, see <http://flygbussarna.se/en> (coach tickets can be bought at a discount from the website).

➤ **From Västerås Airport:**

Take the airport coach to Stockholm City and Cityterminalen. The journey takes about 75 minutes, and the ticket is SEK 229.

For more information, see <http://flygbussarna.se/en> (coach tickets can be bought at a discount from the website).

How to get from Stockholm Central Station/Stockholm City to Södertörn University

Take the commuter train (pendeltåg) **40** or **41/41X** towards Södertälje C or Tumba from the underground train station Stockholm City. It is located under the metro station T-Centralen and is connected to both the Stockholm Central (train) and Stockholm Cityterminalen (bus). Please note that no commuter trains are departing from Stockholm Central station; they only go from Stockholm City.

Get off at Flemingsberg station (about a 20-minute journey). Follow the signs for Södertörns högskola to our campus. When you arrive on the commuter train from Stockholm Central Station, walk in the same direction as the train's direction of travel and take the escalator/stairs up from the platform. Exit the station building, turn right on the bridge, and take the next escalator up.

Södertörn University is the first building on the right. The main entrance is in the middle of the building (see map on the last page). If you come up on the escalators, you will arrive on the same level as the main entrance, i.e. level 5.

More information: <http://sl.se/en>

➤ **Arriving by boat in Nynäshamn:**

1. Find your way to the train station in Nynäshamn (only a 5-minute walk).
2. Take the local commuter train (pendeltåg) towards Stockholm. Please note that you must purchase a train ticket before entering the train.
3. Get off the train at **Alvsjö** and then take a train towards Södertälje C or Tumba.

More information: <http://sl.se/en>

➤ **Arriving by car**

Feel free to contact us for more information. Please be aware that most parking places around the campus are subject to a fee, and for some, you will also need a permission ticket provided by the university.

Where can I find...

Cash machines in Flemingsberg?

There is one cash machine close to the university. This is located in the foyer of Karolinska Hospital (a 5-minute walk from Södertörn University).

Hospital?

The nearest hospital is Karolinska Hospital, next to Södertörn University, across the pedestrian bridge on the far side of the campus square, on the “outside” of the Moa Building. The hospital reception will provide further information about the right department.

Newsagent?

The Presbyrån newsagent is inside Flemingsberg train station and sells tickets, snacks, tobacco and coffee. There is also a Pressbyrån in the foyer of Karolinska Hospital.

Train station?

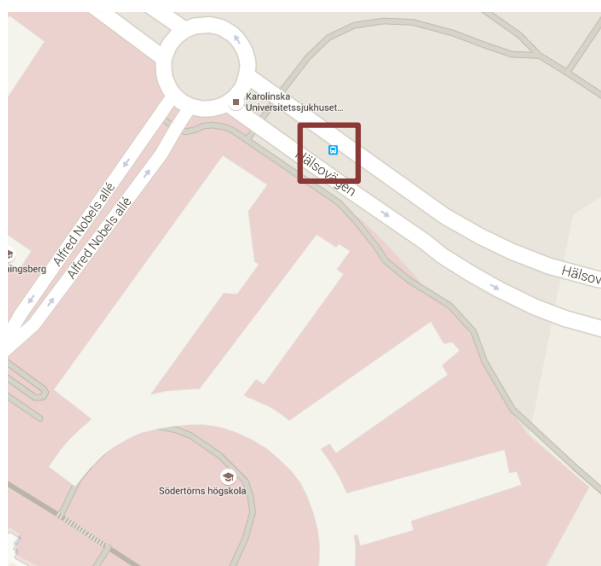

From the main entrance of Södertörn University, turn left and then down the escalators – this will bring you to the train station. The train station has separate platforms for SL’s local commuter trains and SJ’s national and regional trains. See displays inside the station for more information and departure times.

Pharmacy

The nearest pharmacy (Apoteket) is in the ICA supermarket next to the Flemingsberg train station. There is another pharmacy within walking distance by the main entrance to Karolinska Hospital.

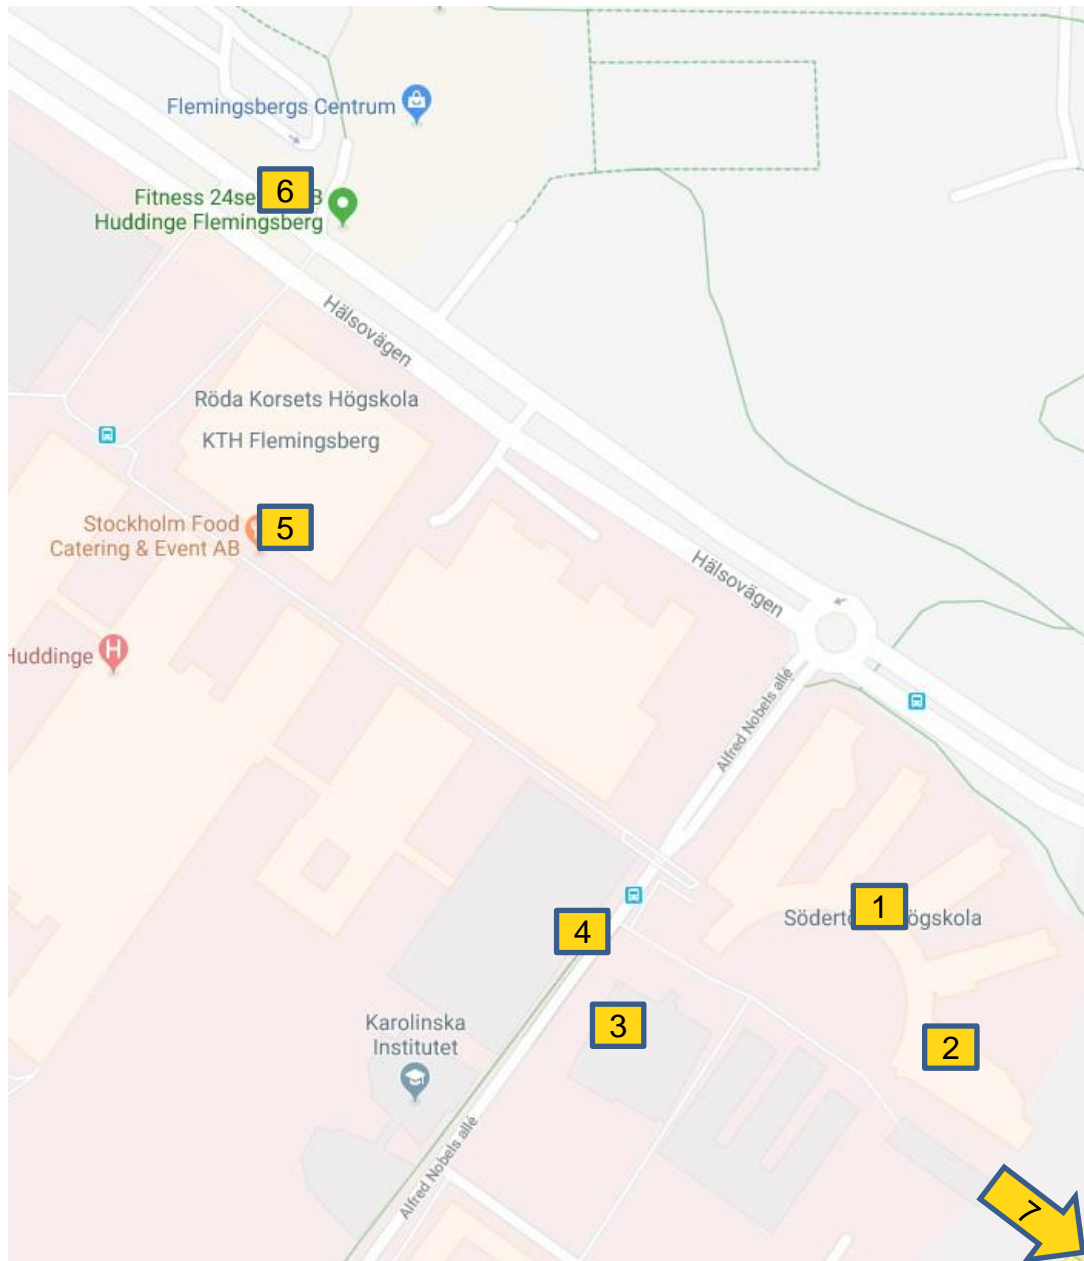

Bus stop?

The closest bus stop is called “Södertörn University” and is about a 3-minute walk from the main entrance.

Restaurant?

There are multiple local food outlets:

- 1) Södertörn University
- 2) Café Arom
- 3) Allé Elva Restaurant
- 4) Café Alfreds
- 5) Stockholm Food
- 6) Ristorante Leylas Eatery
- 7) (not on the map) Restaurants in the Flemingsberg train station

Internet?

It is possible to get online from the beginning of your stay. There are two available options:

- a) Eduroam is a worldwide Wi-Fi network that covers many universities and public spaces. If your home university or company already uses this

network, you only need to turn on your Wi-Fi and connect to the Eduroam network.

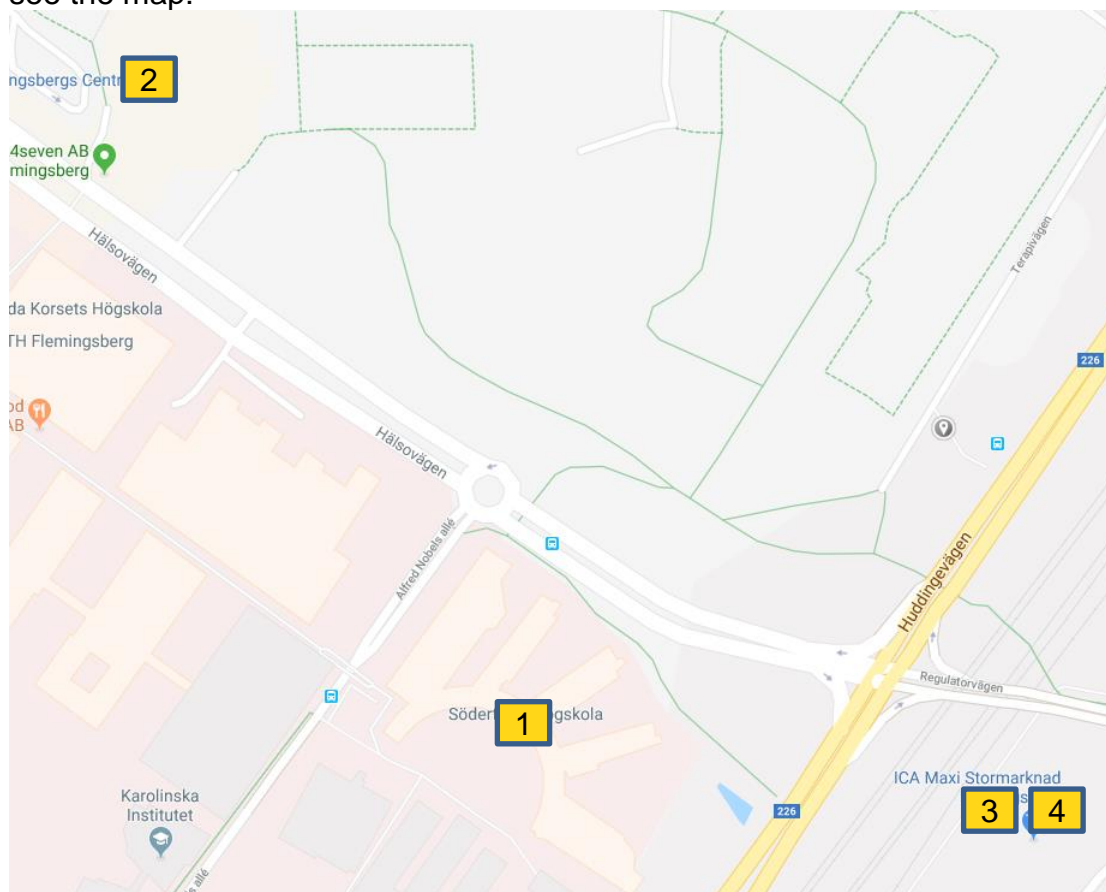

- b) Guest login: if the first option does not apply to you, you will need to go to Infocenter (open Mon-Fri: 8.00-16.30) to get temporary login details for the network SHGuest. Infocenter can be found on the map on page 15. Do not forget to take your ID card or passport with you.

Someone from the University?

If you wish to contact someone at the University, please get in touch with the Infocenter in person or by phone. The Infocenter is in the MD wing on level 5 and is open Monday through Friday, 8.00-16.30. The phone number is +46 (0)8 608 4000, Mon-Fri 8:00-16:30.

Shopping?

There are shops and supermarkets in the area around the University. Please see the map:

- 1) Södertörn University
- 2) Willy's: (Mon-Sun: 8.00-21.00)
- 3) Lidl (Mon-Fri: 8.00-21.00; Sat: 8.00-20.00; Sun: 9.00-19.00)
- 4) ICA Maxi (Mon-Sun: 7.00-22.00)

N.B. Opening hours during public holidays may differ.

Second hand stores?

Perhaps you are staying in Stockholm for a longer period of time, are budget-minded or just want to explore and give a second life to clothes, household goods and furnishings. There are some alternatives to choose from in the area around the university:

- Röda korset - Tunatorget 3, Tumba
- PMU Pingstkyrkans Second Hand - Hantverkarvägen 2, Norsborg
- Hela människan - Gröndalsvägen 20 B, Tumba
- Stockholms stadsmission - Tomtbergavägen 3, Hallunda
- Erikshjälpen - Vårby allé 53, Vårby
- Flemings second hand-butik – Diagnosvägen 4F, Flemingsberg
- Södertörnkyrkans Secondhand - Patron Pehrs väg 5, Huddinge centrum
- Hela människan - Stationsvägen 25, Stuvsta
- Flemingsbergs kyrkas second hand - Diagnosvägen 14–16, Flemingsberg

IKEA?

The nearest IKEA (said to be the biggest one in the world) is located in Skärholmen. You can take bus 865 from the Södertörns högskola bus stop. It takes 20 minutes and you get off at the IKEA bus stop.

Swedish sim-card?

There are multiple service providers to choose from, depending on your needs. If you are looking for the nearest option after your arrival, you can choose from various prepaid sim cards already at:

- Arlanda airport at 7-Eleven or Pressbyrån
- Stockholm Central Station

Survival tips

Weather

Sweden is a country with four very different seasons. You need to be sure to have the right gear for each one of them. *Summer* can be quite warm and have long light days. Eye masks and/or thick curtains are recommended for a good night's sleep. *Autumn* can still be quite warm, but the evenings will be colder. You can look forward to a great display of colour, but also to rain showers and cold winds. *Winter* can be anything from very cold and snowy to rainy, but daylight decreases all the way to 6 hours of daylight at its minimum (i.e. 21 December). *Spring* is very intense and green, but you should still be prepared for snow and cold mornings.

Travel and exploration

Suppose you have some spare time during your visit to Stockholm and would like to explore the greenery. In that case, we can recommend the following areas: [Tyresta nationalparken](#) (national park), [Björnö naturreservat](#) (nature reserve by the coast of the Baltic).

If you are more into exploration of the city sights, we can warmly recommend visiting two royal palaces in Stockholm:

[Royal Palace](#)

[Drottningholm Palace](#)

The combination of both worlds and Nordic traditions can be seen at [Skansen](#), the world's oldest open-air museum in Djurgården, Stockholm. You can get there on a tram from Stockholm City station.
